COALITION TO DEFEAT HB 6205

STOP Illinois FOCA

"No abortion expansion in Illinois!"

We, the undersigned, oppose the enactment of House Bill 6205, the "Reproductive Health and Access Act," which would:

- Define abortion as a fundamental right in Illinois
- Force Illinois taxpayers to fund abortion through Medicaid
- Force schools to teach "condom training" comprehensive sex-ed
- Make it harder for women to sue abortionists for botched abortions
